My Weekend

On weekdays I usually go to school. On weekends we often have a lot of fun. On Saturdays I usually get up at eight o'clock in the morning and clean my room. Then I help my mum to cook breakfast. We often eat toasts with homemade jam and drink tea. In the afternoon I do my homework and go to the swimming pool. In the evening we often watch films together or play some funny games with my little brother.

On Sundays we always visit my grandparents and sometimes help them in the garden. We usually have dinner together and talk. In the evening we go to the cinema or go shopping with my mum. On Sunday I usually go to bed not very late because on Monday I get up early to school.
